Privacy Statement For TotallySideways.com

TotallySideways.com is committed to protecting your privacy when you use our on-line services ("Services"). In this policy we explain how and why we collect your information, what we do with it and what controls you have over our use of it.

From time to time, we add or change functions, features or products to our Web Sites or add or change Services. This, and our commitment to protecting the privacy of your personal information, may result in periodic changes to this Privacy Policy. As a result, please remember to refer back to this Privacy Policy regularly to review any amendments.

Any questions regarding our Privacy Policy should be directed to contact at TotallySideways.com at info@TotallySideways.com or alternatively see the section "Comments" below.

Your acceptance of these Privacy Statement terms

By using any of the sites within our web site network ("Web Sites") or our Services, you unconditionally agree to be bound by this Privacy Policy.

What data do we collect and how do we use it?

TotallySideways.com collects and processes information about you in order to:

- (i) process orders or applications submitted by you;
- (ii) improve our Services and Web Sites

You may be asked, either when you register with us, or at other times, for information about yourself, such as your name, e-mail address, postal address and telephone number. Please note that when you order certain goods or services from our Web Sites, we do not need to know your credit/payment card number and expiration date, this is carried out by PayPal and is completely private from us.

You are under no obligation to provide this information, but if you don't then we may not be able to provide you with certain services or personalise your experience and tailor our Services for you (for example, tell you about special offers on things you're interested in).

Log files/IP addresses

When you visit our Web Sites, we automatically log your IP address (the unique address which identifies your computer on the internet) which is automatically recognised by our web server. We use IP addresses to help us administer our Web Sites and to collect broad demographic information for aggregate use. We do not link IP addresses to personally identifiable information.

Non personal information

We may automatically collect non-personal information about you such as the type of internet browsers you use or the site from which you linked to our Web Sites. You cannot be identified from this information and it is only used to assist us in providing an effective service on our Web Sites.

Use of Cookies

Cookies are pieces of information that a Web Site transfers to your hard drive to store and sometimes track information about you. Most web browsers automatically accept cookies, but if you prefer, you can change your browser to prevent that. However, you may not be able to take full advantage of a Web Site if you do so. Cookies are specific to the server that created them and cannot be accessed by other servers, which means they cannot be used to track your movements around the web. Although they do identify a user's computer, cookies do not personally identify customers or passwords. Credit card information is not stored in cookies.

TotallySideways.com will not share, sell or rent your personal information to third parties.

Our Web Site contains links to the sites of third parties. When you visit these sites, we suggest that you read their privacy policies. TotallySideways.com is not responsible for the privacy policies or the content of such sites.

Information about products and services

It is very important to us that we provide you with the highest level of service. In order to help us do this, from time to time TotallySideways.com companies may send you details of our products and services which we think may be of interest to you. If at any time you do not wish to receive these details, please e-mail us at info@TotallySideways.com

Security

TotallySideways.com places a great importance on the security of all information associated with our customers. We have security measures in place to attempt to protect against the loss, misuse and alteration of customer data under our control. For example, our security and privacy policies are periodically reviewed and enhanced as necessary and only authorised personnel have access to user information. With regard to our Web Sites, we use secure server software (SSL) to encrypt financial information you input before it is sent to us. While we cannot ensure or guarantee that loss, misuse or alteration of data will not occur, we use our best efforts to prevent this.

Where is the information stored?

Information which you submit via our Web Sites or our telephone services is stored on a computer located in Dublin Ireland. This is necessary in order to process the information and to send you any information you have requested. Information submitted by you may be transferred by us to our other offices and to reputable third party suppliers, which may be situated outside the European Economic Area. Not all countries outside the EEA have data protection or privacy laws. In addition, if you use our Services while you are outside the EEA, your information may be transferred outside the EEA in order to provide you with those Services.

Specific Services

Any specific services provided on your website.
